

REMARKS

In response to the decision on appeal, Applicant has amended independent claims 65 and 69 to clearly set forth the providing of means for independently obtaining the identity of one or more users. Accordingly, these claims now provide the limitation which provide support for the reversal of the claimed anticipation under 35 USC § 102(e) with respect to independent claim 47. Accordingly, it is respectfully submitted that these claims, as amended, are also in condition for allowance.

In view of the Board's decision and the amendment herewith, Applicant respectfully submits that the application is in condition for allowance and such action is respectfully requested.

Respectfully submitted,

Attorney for Applicant(s)
